

PRIVATE EQUITY TEAM

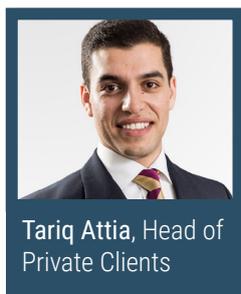

IW Capital is a private equity house with expertise in the structuring and leading of tax efficient investment opportunities. We pride ourselves on one defining factor – the individuals that form our private equity team.

With 40 years' collective experience, our five specialists combine unrivalled knowledge with future-proof strategies to deliver a service proposition like no other.

By delivering a specialist service of managed deals, our private equity team will guide you from the initial company selection all the way through to exit. This ensures that our core offer is not only defined by our portfolio but also by the people that build and nurture it.

Alan brings a wealth of private equity knowledge to IW Capital. Having excelled as both a private equity professional and an owner manager of a private equity backed business, Alan understands the needs of both businesses and investors.

Tariq advises clients on their tax-efficient investments and has personally raised tens of millions of pounds for some of the UK's leading SMEs. Tariq holds a BSc degree in Economics from the University of Reading and an Investment Advice Diploma.

Throughout his career, Luke has been fully immersed in the SME and private equity sectors. After raising over £50 million in funds for Charles Street Securities (CSS LLP), Luke became a partner at 26 years of age. Before forming IW Capital, Luke built one of the City's most successful trading teams at King & Shaxson Ltd (KASL) in 2007.

David is a Chartered Accountant with 28 years of private equity and M&A experience. Having invested into a diverse range of private companies at different stages of development, David is well-versed in business growth and development.

Tim brings over 25 year experience in venture capital investment to the IW Capital team. His previous work ranges from the management of early stage investments to alternative financial assets and growth capital businesses.
